

PORCH TO PARKS BIKE CHALLENGE

WAYS TO PARTICIPATE

Participants may drive to the starting park, or just hop on bike from your front porch and ride to the nearest park on a challenge route! For ease of riding it is recommended to follow the route directions in order, even if you start in the middle. Follow all traffic laws and maintain social distancing guidelines.

When you have completed a route, submit the Seamless form found at www.playmedford.com. Participants are encouraged to send us photos or post them to #medfordporchtotoparks to enter the photo contest.

For each route a participant completes, they will receive a medal and be entered into a drawing for the Grand Prize. The photo contest winner will be featured in the next Recreation Program Guide.
